

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Procedure for procuring commitment of indigent insane to asylum.

SEC. 23. When a person in indigent circumstances and not a pauper becomes insane, application may be made in his behalf to the judge of probate of the county where he resides; and said judge of probate shall immediately notify such alleged insane person of such application, and of the time and place of hearing to be held thereon and in the discretion of the judge of probate any relative or other person having said alleged insane person in charge or custody, shall likewise be notified of said time and place of hearing; and shall also call two legally qualified physicians and other credible witnesses and also immediately notify the prosecuting attorney of his county, and the supervisor of the township or the supervisor or alderman of the ward in which said insane person resides, of the time and place of such hearing, whose duty it shall be to attend the examination and act in behalf of said county; and said judge of probate shall fully investigate the facts in the case, and either with or without the verdict of a jury at his discretion, as to the question of insanity, shall decide the case as to his indigence, but this decision as to indigence shall not be conclusive; and if the judge of probate certifies that satisfactory proof has been adduced showing him to be insane and his estate insufficient to support him and his family or, if he

has no family, himself, under the visitation of insanity, on his certificate under the seal of the probate court of said county, he shall be admitted into the asylum, and supported there at the expense of the county to which he belongs, until he shall be restored to soundness of mind, if effected in two years, and until otherwise ordered; and the judge of probate shall in no case grant such certificate until fully satisfied of the indigence of such insane person. The judge of probate in such case shall have power to compel the attendance of witnesses and jurors, and shall file the certificates of the physicians, taken under oath, and other papers in his office, and enter the proper order in the journal of the probate court in his office, and he may appoint a proper person or persons to conduct such insane person to the asylum, who shall receive pay for expenses and services, in the discretion of said judge, the same as any other officer. The judge of probate shall report the result of his proceedings to the supervisors of his county, whose duty it shall be, at the next annual meeting thereafter, to raise money requisite to meet the expenses of support accordingly.

SEC. 24. When an insane person in indigent circumstances shall have been maintained by his friends in the asylum as a private patient, for three months, and the superintendent of the asylum shall certify that he is insane and requires further treatment, the judge of probate, on application by the friends of such patient, shall determine the question of indigence, according to the provisions of the preceding section, with or without further evidence of the insanity, as in his discretion he may think best, and if the indigence be established, he shall make a certificate authorizing the admission of said patient into the asylum as a county charge, and the report to the supervisors required by the preceding section; and the said patient, as in other cases of indigence, shall be supported at the asylum at the expense of the county until restored, or for a period not exceeding two years.

When and how patients maintained by friends, may be adjudged indigent and made county charges.

SEC. 25. Whenever the judge of probate of any county, before whom a pauper or indigent insane person may be brought, shall find that said pauper or indigent person has not acquired a legal settlement in the said county, the said judge of probate shall not, for that reason, refuse to give his order to admit the said insane person or persons into an asylum for the insane, there to be kept and maintained at the expense of the said county; he shall, however, in such case, make a separate and special report of his findings, on the question of settlement, to the superintendents of the poor of said county. Should controversy arise respecting the liability of two or more counties for the maintenance of said insane person, the superintendents of the poor of either of said counties, after notifying the superintendents of the poor of each and all counties involved in the question of such liability, may bring the matter before any circuit judge for hearing and determination; and the county found by said judge, upon such hearing to be responsible, shall refund, according to section twenty-eight of this act, to the county first chargeable, according to the same section, all moneys paid or advanced for the maintenance and support of said insane person at any asylum, and the

county so found responsible shall thereafter pay the lawful charges for such insane [person] persons at an asylum for a period not exceeding two years. But if, on such hearing, the said circuit judge shall find that the said insane person has no legal settlement in any county in this State, or, that he is unable from the evidence, to find where that settlement is, then and in that case, he, the said judge, shall certify his findings to the Secretary of State and to the medical superintendent of the asylum in which the said insane person may be held, and the State shall become responsible for the legal cost of the investigation and for the maintenance of said insane person, as for other State patients.

Proceedings for commitment of pauper insane.

SEC. 26. The county superintendents of the poor of any county, or any supervisor of any city or town to which a person who shall become insane may be chargeable by reason of being a pauper, shall make application to the probate judge of said county, who shall proceed to inquire into the question of the insanity of said person, and for the purpose of such inquiry shall call upon and may compel the attendance of one or more legally qualified physicians, and such other witnesses as he may deem necessary, and if satisfied of the insanity of said person, said probate judge shall make the same certificate and order for admission into the insane asylum, and the same record and report as are required to be made by section twenty-three of this act, in the case of an insane person in indigent circumstances.

Duty of county and town officers as to this act.

SEC. 27. County and town officers and all persons having charge of insane persons as above, shall see to carrying into effect so much of this act as refers to the removal to and maintenance in the asylum, of said insane persons, within such time and under such regulations as shall be provided by the by-laws of the asylum to which such insane person is to be sent.

Maintenance, etc., of patients chargeable to counties; how to be paid, etc.

SEC. 28. The expenses of clothing and maintaining in an asylum any indigent or pauper patient who has been received upon the order of any court or officer, shall be paid by the county from which he was sent to the asylum, except those provided for as State patients in section twenty-nine. The treasurer of said county is authorized and directed to pay to the treasurer of the asylum the bills for such clothing and maintenance, as they shall become due and payable, according to the by-laws of the asylum, upon the order of the steward; and the supervisors of said county shall annually levy and raise the amount of such bills, and such further sum as will probably cover all similar bills for one year in advance. Said county, however, shall have the right by an action to be brought by the superintendents of the poor to require any individual, town, city or county that is legally liable for the support of such patient, to reimburse the said county for the amount of said bills with interest from the day of paying the same, and thereafter it shall be obligatory upon such individual or county so found legally liable therefor, to provide, subject, so far as applicable, to the provisions of sections twenty-four and twenty-nine of this act, for the future maintenance of such person in the asylum, which obligation may be enforced by an action at law for collecting debts, and if the obligation be

against a county, payment may be enforced as provided in section thirty of this act.

SEC. 29. The rate of charge per week to be paid for the board and necessary treatment of all patients of the asylums, who are residents of this State, shall be annually fixed by the trustees of the several asylums, in joint session, and shall not exceed the actual cost of support and attendance, exclusive of officers' salaries; but this provision shall not be construed so as to prevent the furnishing extra care and attendance to patients by special contracts with parties chargeable therefor. At the close of each quarter, the medical superintendents of the asylums shall certify to the Secretary of State the name, age, and residence of all patients under treatment, the expense of whose maintenance shall have been wholly paid by any county for the two preceding years, and such patients shall, from and after the close of said period of two years, be maintained by the State until restored or so long as may be deemed necessary by the board of trustees. An unrecovered patient removed temporarily on trial, if returned to the asylum within one year from date of removal, shall not forfeit his right to State support. If a State patient shall be removed from an asylum on trial, and his friends be unable to defray the expenses of his return to the asylum, in case such return becomes necessary, the actual necessary expenses attending his return shall be defrayed by the State, the asylum paying the same and rendering the account quarterly to the Auditor General in the same manner as other bills are rendered for the support of State patients. The bills for the maintenance, clothing, and other charges of such patients, shall be rendered quarterly to the Auditor General in the same manner as bills are rendered to county treasurers for the support of patients at county charge, and shall be paid by the State Treasurer to the treasurers of the asylums in which the patients may be, on the warrant of the Auditor General, out of any moneys belonging to the general fund.

SEC. 32. Every insane person supported in the asylum shall be personally liable for his maintenance therein, and for all necessary expenses incurred by the institution in his behalf, and the guardian, relatives, or county that would have been bound by law to support him if he had not been sent to the asylum, shall be liable to pay the expenses of his clothing and maintenance in the asylum, and actual necessary expenses to and from the same:

SEC. 33. Whenever the trustees shall order an indigent or pauper patient returned from the asylum to the county whence he came, the superintendents of the poor of said county, if said patient be a county charge, shall audit and pay the actual and reasonable expenses of such removal out of the county poor fund. But if any town or person be legally liable for the support of such patient, the amount of such expenses may be recovered for the use of the county by such superintendents. If said superintendents of the poor neglect or refuse to pay such expenses on demand, the treasurer of the asylum may pay the same and charge the amount to the said county, and the treasurer of said county is authorized and directed to pay the same with interest, after thirty days; and the supervisors of said county shall levy and raise the amount as other county charges.

Discharged patients to be furnished clothing and money.

SEC. 34. Any person or officer who shall bring a female patient to the asylum in violation of the last preceding provision of this section or who shall under the provisions of law, or otherwise, bring or accompany any patient to the asylum, and not in due time deliver him into the lawful care and custody of the proper officer of the asylum, taking his receipt therefor, provided he be admitted, or who shall willfully leave, abandon, neglect, or abuse such patient, either in going to or returning from the asylum, shall be deemed guilty of a misdemeanor, and on conviction shall be liable to a fine not exceeding two hundred and fifty dollars, or to imprisonment not exceeding one year, or to both in the discretion of the court before which the conviction shall be had.

The bills for the maintenance of such insane persons shall be rendered quarterly to the Auditor General, at the same time and in the same manner as bills are rendered to county treasurers, and shall be paid to the treasurer of the asylum by the State Treasurer, on the warrant of the Auditor General, out of any moneys belonging to the general fund.

The medical superintendents of the several asylums shall report quarterly to the Secretary of the Board of Corrections and Charities the names and ages of all patients supported at State or county charge. All officers named in this section shall also report to the Secretary of the Board of Corrections and Charities the date and circumstances attending the discharge, removal, elopement or death of all insane persons receiving aid or supported at county or State charge. The Board of Corrections and Charities shall provide for the careful registry, by its secretary, of all facts communicated in compliance with the requirements of this section.

SEC. 38. After sufficient room shall have been provided for all the insane wards of the State, then and thereafter it shall be illegal for county superintendents of the poor, or for any other authority whatever, to consign to the county almshouse any insane person. In case the superintendents of the asylums find it impossible to receive all patients for whom application is made, they may, in their discretion, give preference to those for whom, in their judgment, treatment is most urgently necessary. To make room for urgent cases, they are also authorized to order the removal, from the asylum to his home and friends, or to the superintendent of the poor of the county whence he came, of any patient that in their judgment may safely reside outside the institution.

for any insane person, and any will bequeathing or deed conveying any money to this State or the people thereof, in trust for any insane person, is hereby declared to be legal and valid, as to such trust, and the trust so reposed and declared shall be accepted, subject to the conditions, restrictions, and limitations contained in this act. No trust shall be accepted under this act unless the moneys so bequeathed, or the proceeds of sale of real or personal estate so devised, bequeathed, or conveyed shall amount to at least one hundred dollars.

SEC. 41. It shall be the duty of any officer with whom any will containing such devise or bequest shall be filed, after being informed of the death of the testator, and of any officer to whom any will containing any such devise or bequest shall be presented for probate, immediately thereafter to notify the State Treasurer and the Attorney General of such filing or presentation, and it shall be the duty of the Attorney General, upon being so notified, or upon being otherwise informed of the execution of any such will, and of the death of the testator, to institute and carry on all necessary suits and proceedings to secure the payment into the State Treasury of all moneys which, under this act and in pursuance of such trust, may be received by the State Treasurer.

SEC. 42. It shall be the duty of the executor or administrator of such will to pay to the State Treasurer all moneys which may be payable to the State or the people thereof, as trustee of any such trust, and the said moneys when so received by the State Treasurer, shall be placed by him to the credit of the fund to be known as the (naming the insane person) "Insane Trust Fund," and the interest on the same shall be computed annually at the rate of seven per cent, and such interest and trust fund shall be paid out for the benefit of the persons for whom such trust may be created, and as provided by this act.

SEC. 43. The board of trustees of any State asylum for the insane shall have charge of all persons within its district for whose benefit any such trust shall be created, and of all expenditures payable by such interest or insane trust fund. Any such insane person confined in any State asylum for the insane, while the said interest and trust fund shall be sufficient for that purpose, shall be furnished with clothing, lodging, board, medicines, medical and other attendance, care, comforts, and conveniences as are usually, and in accordance with the rules of such asylum, allowed to other patients whose support shall be paid for by private persons, and at the same rate of charges. And said board shall, so far as it may be possible, but within their reasonable discretion, regulate the expenditures on behalf of such insane person, so that the same may be defrayed from the interest authorized to be paid on the principal of the fund so created for his benefit. If the interest shall be insufficient, such expenditures may be made from the principal of the fund. And if any sum be received from any other source for the support and care of such person, the moneys so received shall be first used for the payment of such expenditures in preference to money drawn from such interest or trust fund. Should any such insane person

be removed from such asylum, by his legal custodian or guardian, while so insane, such expenditure on his behalf shall cease; and such interest or trust fund shall remain unappropriated until such person shall be returned to the asylum, or the same shall be paid out as hereinafter provided by this act.

SEC. 44. If any insane person for whose benefit any such trust shall be created, shall be confined or kept in any other place than a State asylum, the board of trustees of such asylum for the insane in whose district the case arises shall, upon notice of such trust from the State Treasurer, cause such person to be removed to the asylum, and shall there provide for the support of such person, the same as provided by the section in reference to persons confined in said asylum. Idem.

SEC. 45. If any insane person for whose benefit any such trust shall have been created shall become sane and free from liability to a return of his malady, or shall die, the board of trustees of the asylum in which he was a patient shall certify to the Auditor General and State Treasurer that such person has become sane, and is no longer in need of support from such asylum by reason of prior insanity and liability to the return thereof, or is dead; and the State Treasurer, upon the warrant of the Auditor General, shall pay to such person or persons as may be entitled thereto, under the will or conveyance by which such fund was created, the balance, if any, of the principal and interest standing to the credit of such insane person. And if such will or conveyance shall not provide for or make any disposition of such fund in such cases, then such money shall be paid to the person for whose benefit such fund has been created, if he be living and sane, and if he be dead, then to his legal representatives. But if, because of a liability to a return of his insanity, the trustees and medical superintendent shall not deem it prudent that the State relinquish custody and control of the trust fund created for the benefit of any such insane person, the trustees and medical superintendent, in their discretion, may authorize the use of the interest and a necessary portion of the principal of said fund for the benefit of such person though not an inmate of the asylum. Termination of trust from.

SEC. 46. Immediately upon receipt of moneys into the State treasury under this act, the State Treasurer shall notify the Auditor General, and the board of trustees of the asylum in which such person is a patient, of the amount thereof, and of the name of the person for whose benefit the fund has been created, and all payment from the treasury under this act shall be on the warrant of the Auditor General, upon vouchers duly approved by and filed with the Auditor General by the said board of trustees, the same as other moneys are drawn from the treasury by the said board of trustees for such asylum. They shall also cause to be entered upon their records the aggregate valuation of the taxable real and personal property, of each township of their county, as determined by them. may acquire by purchase under any sale made of such land under any decree to be made in such suit so commenced by him. And if such deed shall have been recorded, such person claiming through or under it shall discharge the same of record, the same as in the case of a mortgage. The lien of such deed shall have priority of any and all mortgages, liens, levies and incumbrances upon or conveyances of such land, except liens held by the State on such lands bid in by it for the non-payment of taxes during any previous year, but shall also be subject to all taxes, tax liens, and tax deeds, levied, created, or made subsequent to the time when the tax was assessed and levied for the non-payment of which the deed, under or through which the complainant claims, was issued.

SEC. 119. All the laws and rules relating to the foreclosure of mortgages in chancery as to the persons necessary and proper to be made parties, the service of the subpoena and the bringing of the defendants into court, as to pleading and evidence, the decree of foreclosure sale thereunder, placing the purchaser or purchasers in possession by a writ or writs of assistance, the right of the complainant to be subrogated to the benefit of all liens upon the premises by him necessarily satisfied in order to save the lien of his deed, the right of the defendants or any of them, to redeem the premises at any time before sale, and as to costs and disbursements, including the necessary expenses of an abstract of title, shall, so far as they are applicable, prevail in such suits. The sale in such suits shall be conducted, the report made and confirmed, and a deed thereon executed and delivered in like manner and with like effect as in cases of suits for foreclosure of mortgages in chancery. The deed executed to the purchaser by the circuit court commissioner, after confirmation shall be conclusive against all the defendants and against any person claiming through or under any or all of said defendants whose conveyance is not recorded in the registry of deeds of said county at the time of the filing of *lis pendens* by the complainant in said cause. Appeals may be taken to the supreme court as in other chancery cases.

SEC. 120. In all suits to enforce the lien of any such tax deed in chancery, it shall not be necessary for the complainant to allege or prove any act or proceeding upon which the issuing of such tax deed was based or authorized, but all such acts and proceedings from and including the assessment of the land described in such deed, down to and including the issuing and delivering thereof, shall be presumed to be regular, valid, and just. The defendant, in order to defeat the lien of such deed, shall be required to prove, either that no law authorizes such tax, or that the person or persons appointed to decide whether a tax shall be raised, under a given law, have acted without jurisdiction, or have not imposed the tax in question, or that the person or property assessed was exempt from the taxation in question, or was not assessed, or that the tax has been paid, or that the supervisor or board of review, in assessing a person or property for taxation, or in the apportionment of the tax to the person or property in question, acted fraudulently. If any such illegality, omission, or fraud affects the amount of the tax only, the tax shall be sustained so far as the same is just and legal. The court

shall correct all mistakes which the defendant shall show to have been made to his prejudice, and shall make such decree as shall be just and equitable. But if any part of the lien of said tax deed on the land therein described, or on any part thereof, shall be found by the court to be valid, or just and equitable, the complainant shall, in such suit, be entitled to a decree therefor with full costs.

Court shall correct mistakes.

When complainant shall be entitled to decree and costs.

SEC. 121. In all such suits to enforce the lien of a tax deed in chancery, the complainant shall be entitled to the following solicitor's fee in addition to the costs allowed by rule of court as follows: Where he obtains a decree *pro confesso*, twenty-five dollars; where the defendant redeems after the filing of the bill and before appearance, twenty dollars; where decree is obtained on demurrer or bill and answer or on pleadings and proofs, or where defendant redeems after proofs are wholly or partly taken, thirty-five dollars. But this shall not be construed to allow the complainant any solicitor's fee provided by rule of court. Any decree and taxed costs so obtained by the complainant shall draw interest at the rate of seven per cent per annum. Such decree shall have all the force, effect, and conclusiveness of a decree in chancery on the foreclosure of a mortgage. The circuit court in chancery of the county in which such land is situated shall have full jurisdiction in all suits to enforce such liens regardless of the amount involved.

Circuit Court in Chancery to have jurisdiction.

SEC. 122. In any suit to enforce such lien, either party shall have the right to an examination of the witnesses in open court as in a suit at law to be demanded in the manner prescribed in other chancery cases, and either party shall also be entitled to the right to a jury, and the verdict of such jury on any question of fact shall have the same force and effect in the circuit court in chancery and in the supreme court on appeal as the verdict of a jury in an action at law and shall not be set aside or disregarded except for the same reasons that the verdict of a jury in a court of record in an action at law would be set aside or disregarded. Whenever a jury is demanded in any suit to enforce the lien of such tax deed, an issue or issues shall be framed under the direction of the court to be submitted to such jury. The right to such jury shall be deemed to be waived unless demanded in writing, such demand to be filed with the register in chancery within ten days after the cause is at issue. No defendant shall be entitled to demand a jury after the expiration of ten days from the time the cause is at issue as to him. In all cases where a jury is demanded the cause shall be heard in open court: *Provided*, That if any person claims any interest in the lands described in such tax deed, or in any part thereof in opposition to such tax deed, he may deposit the amount of the consideration of such tax deed, with interest and costs, if any have been made to the time of such deposit, including the proper fee to discharge such tax deed, with the county treasurer of the county in which such lands are situated, for the use of the person claiming through or under such tax deed and from and after such deposit, the lien of such tax deed shall be discharged: *Provided further*, That before the person for whom such deposit is made, shall be entitled to receive the same from the county treasurer, he shall discharge such tax deed of record in the proper county.

SEC. 5. The several liens herein provided for shall take priority as follows: Priority of liens

*First*, As between persons claiming liens under this statute the several liens upon the same property, attaching by reason of work, labor, or material furnished in carrying forward or completing the same building, machinery, structure, or improvement shall be deemed simultaneous mortgages;

*Second*, They shall take priority to all garnishments for the contract debt made prior or subsequent to the commencement of the furnishing of the material or performance of the labor, without regard to the date of filing the claim for lien;

*Third*, They shall be preferred to all other liens or incumbrances which may be attached to or upon such building, erection, or other improvement or either of them, and upon the land upon which they are situated, made subsequent to the commencement of said building, erection, or other improvement: *Provided*, That the rights of the purchasers, incumbrancers and other persons who acquire interests in good faith, for valuable consideration, and without notice after the expiration of the time for filing claims for liens as provided in section two, shall be prior and paramount to the claims of all contractors, material men, and laborers, who have not, at the date such rights and interests were acquired, filed their claims for liens;

*Fourth*, The liens for the things aforesaid or the work including those for additions, repairs and betterments, shall attach to the building, erection, or structure for which they were furnished or done in preference to any prior title, claim, lien, incumbrance, or mortgage to or upon the land upon which such erection, building, or structure belongs or is put: *Provided*, Such lien shall not take precedence to the lien of any recorded mortgage on said land which secures and which on its face purports to secure money advanced for the building of the object on which said lien is

claimed. If such material was furnished or labor performed in the erection or construction of an original or independent building, erection, or other improvement, commenced since the attaching or execution of such prior title, claim, lien, incumbrance, or mortgage, the court may in its discretion order and direct such building, erection, or improvement to be separately sold under its decree, and the purchaser may remove the same within such reasonable time as the court may fix. But if, in the discretion of the court, it should not be separately sold, the court should take an account and ascertain the separate values of the land, and the erection, building, or other improvements, and distribute the proceeds of sale so as to secure to the prior title, claim, mortgage, or other lien priority upon the land, and to the mechanic's lien priority upon the building, erection, or other improvement. If the material furnished or labor performed was for addition to, repairs of or betterments upon the building, erection, or other improvement, the court shall take an account of the values before such material was furnished or labor performed, and the enhanced value caused by such additions, repairs, or betterments, and upon the sale of the premises, distribute the proceeds of sale, so as to secure to the prior title, mortgage, or lien priority upon the land and improvements to the amount as they existed prior to the attaching of the mechanic's lien, and to the mechanic's lien priority upon the enhanced value caused by such addition, repairs, or betterments.

Such citation shall be personally served by the commissioner, or some other competent person, upon every person whose lands are traversed by such drain, or who will be liable to assessment for benefits in the construction thereof and who has not released the right of way and all damages on account thereof, and who is known and resides within the township or townships in which any such lands are situated, by delivering to him a copy thereof, or by leaving the same at his residence with some person of suitable age and discretion, who shall be informed of its contents. In all cases of personal service, at least ten days shall intervene between the day of service and the day of hearing, and the court issuing such citation shall require proof of such service by affidavit, showing the time, place, and manner of such service. Such court shall, immediately upon the appointment of such commissioners, and with the concurrence of the drain commissioner, appoint a time and place (such time to be not less than five or [nor] more than fifteen days thereafter), at which such special commissioners shall meet the drain commissioner and other parties in interest, to consider of the matters and things with respect to which they have been appointed, and said court shall make public announcement thereof, and thereupon the proceeding shall be deemed a continuing proceeding, and no further notice of the time and place of hearing shall be required and such appointment and announcement shall be made a part of the record in the case: *Provided*, That any one person whose estate or interest is to be affected by the proceedings may demand and have from such court at the time of hearing of said application, a jury of twelve freeholders of said county to ascertain and determine the necessity for taking or using such lands, and to appraise and determine the damages and compensation to be allowed therefor. The demand of any one of the parties interested for a jury shall be deemed to be a demand for all, and if no jury be demanded on the part of any person interested in said proceedings before the appointment of special commissioners shall be made by such court, his or her right to the same shall be deemed to have been waived. Whenever such demand for such jury shall have been made, the court shall proceed in the same manner as is provided by law in case a jury is demanded for taking private property for the use of railroad companies, and all further proceedings in the matter had by such court and jury shall be in conformity with the provisions of law, as aforesaid, so far as the same shall apply: *Provided*, That when such jury shall have made their report, and the same shall have been confirmed by such court, a certified copy of such order of confirmation shall be furnished by the court to the drain commissioner.

They shall be sworn to faithfully discharge the duties of special commissioners in the matter in which they are called to act, and to well and truly determine the necessity

of such drain, and of the taking of private property for the use and benefit of the public for the purpose thereof, and the just compensation to be paid therefor. The said commissioners, with the drain commissioner and other parties in interest, who may be present, shall meet at the time and place ordered by said court, and proceed at that time, or at any time to which they may adjourn, to view said premises, and for such purpose they shall have the right to enter upon any lands traversed by the route of the proposed drain.

SEC. 10. The said special commissioners shall hear the proofs and allegations of the several parties in interest, and shall ascertain and determine the necessity for such drain, and for the taking of such private property for the use and benefit of the public for the purpose thereof, and the just compensation to be made therefor in each case, which compensation shall be determined without reference to any benefits that may accrue to the land in consequence of the construction of such proposed drain. There shall be produced by the drain commissioner at such hearing, the original application for the laying out of such drain, and the minutes of his action thereon, so far as had; also copies of the order of determination, and of the application to the probate court, with the citation annexed, the minutes of the surveyor signed by him, and the order appointing the special commissioners. The commissioners may adjourn such hearing from day to day, for any cause, not exceeding in all ten days, announcement of which adjournment shall be then and there publicly made.

SEC. 11. The said special commissioners shall, within fifteen days from the date of their first meeting, make a return in writing of their hearing, determination, and of their several awards, and shall file said return with the drain commissioner, who shall examine the same, and if he shall find such return not to be in substantial conformity with the statute he shall return the same to the special commissioners for correction, with his objections in writing. The special commissioners shall thereupon proceed to correct their return, and file the same with the drain commissioner within five days. When the drain commissioner shall find such return to be without material error, he shall file the same with the other papers in his possession pertaining to such drain. Such return shall be deemed a sufficient conveyance to vest the fee of the lands necessary to be taken for such drain, and upon which damages are awarded, in the township in which they are situated, in trust to and for the uses and purpose of drainage and for no other use or purpose whatever: *Provided*, That the amount of compensation that may have been awarded therefor shall have been paid or tendered or secured to the person entitled thereto, as hereinafter provided.

SEC. 12. In case the special commissioners or jury shall decide such drain to be unnecessary they shall so state in their return, and the drain commissioner shall thereupon dismiss the proceedings at the cost of the applicants, and no further application for the same object shall be entertained within one year thereafter.

If, however, there shall be no money in the general fund of such township or county treasury, the commissioner shall be authorized to have such order discounted wherever he may be enabled to do so: *Provided*, Such discount shall not be more than at the rate of ten per cent per annum, and he shall charge the amount of such discount to the expense and cost of such drain, and draw his order therefor. The commissioner shall thereupon make to such owner a tender, in lawful money, of the amount awarded to him, and if he shall refuse to accept such money, the commissioner shall deposit the same with the county or township treasurer, as the case may be, taking duplicate receipts therefor, one of which he may retain, and the other he shall file with the county or township clerk, as the case may be. Such money shall be held by such treasurer, to be delivered by him to such owner when called for, or otherwise legally demanded.

SEC. 16. Drains may be laid along the line of any railroad within its right of way: *Provided*, Such drain shall not be to the injury of

If no *certiorari* be brought within the time herein prescribed, the drain shall be deemed to have been legally established, and its legality shall not thereafter be questioned in any suit at law or equity: *Provided further*, That when such proceedings are brought, the commissioner shall postpone the letting of contracts and all other proceedings until after the determination of the court.

Such further assessment shall be apportioned, assessed, levied, and collected as provided in the first instance, and on the same percentage, and shall be collected in one year, but there shall be no review of, nor appeal from, such further assessment.

JOINT RESOLUTION authorizing the Governor to issue a patent to William H. Gordon for the northeast quarter of the northeast quarter of section sixteen, town four north, of range thirteen west, Michigan; the same being primary school land.

WHEREAS, William H. Gordon, of Salem, Allegan county, Michigan, has made satisfactory proof that he is the undisputed holder and owner of primary school land certificate of the State of Michigan, numbered five thousand two hundred and six, for the northeast quarter of the northeast quarter of section sixteen, town four north, of range thirteen west, Michigan, which said certificate was, on the twelfth day May one thousand eight hundred and fifty-four, issued by the Commissioner of the State Land Office to Elial Smith, and who, on the twelfth day of August, one thousand eight hundred and fifty-six, assigned the same to Timothy Bliss, of the same place, to secure a loan of fifty dollars, which said loan said Elial Smith subsequently repaid and fully discharged, as appears by competent testimony accompanying the petition and certificate;

AND WHEREAS, Said Timothy Bliss did execute to him, the said Elial Smith, a re-assignment of said certificate in consideration of the payment to said Timothy Bliss by said Elial Smith of said loan of fifty dollars, which said re-assignment was subsequently lost, or otherwise accidentally destroyed, without fault on the part of said parties and without the knowledge of either of said parties as to the importance of said re-assignment, as affecting the title to said land by preventing the issue of a patent therefor;

AND WHEREAS, Said Elial Smith did subsequently, on the twelfth day of April, one thousand eight hundred and sixty-four, assign to William H. Gordon, of the same place, said certificate covering the title to said land for a consideration of seven hundred dollars, and the said William H. Gordon has made good and sufficient proof that he is equitably entitled to have a patent issued to him for said land upon the surrender by him of said certificate and the payment of the principal and interest due the State for the same; yet no patent can issue to him on account of defects in matter of form in the re-assignment of said certificate by said Timothy Bliss to said Elial Smith after the same was issued by the Commissioner of the State Land Office to the said Elial Smith and at the time the same was purchased by and assigned to the said William H.

Gordon, which said re-assignment can not be procured in consequence of the death of one of the assignors; therefore,

*Resolved by the Senate and House of Representatives of the State of Michigan,* That the Governor of the State be and is hereby authorized to sign and cause to be issued to William H. JOINT RESOLUTION authorizing the issuing of a patent to Milton H. Davis, of the county of Gratiot, upon primary school land certificate number five thousand three hundred and twenty-one.

WHEREAS, Milton H. Davis, of the county of Gratiot, in the State of Michigan, claims that he is the rightful holder and owner of primary school land certificate, of the State of Michigan, number five thousand three hundred and twenty-one; that the whole amount of the principal and interest therein specified, has been paid, and that said Milton H. Davis, and his father, William Davis, have been in possession of the land described in said certificate, as a

homestead, in good faith, believing themselves to be the owners thereof, and making expensive and valuable improvements thereon, for upwards of twenty years;

Davis holds said certificate, appears to be incorrect, it being the assignment of James Sprague to Lewis Pearson, in which assignment said James Sprague, (he being the person to whom the Commissioner of the Land Office of the State of Michigan issued said certificate,) signed said instrument of assignment in the presence of William A. Hewitt and J. P. Rathbun, and apparently acknowledged the execution thereof to be his free act and deed, although the certificate of acknowledgment signed by said William A. Hewitt, as a justice of the peace for Clinton county, Michigan, which certificate of acknowledgment fails to state that said James Sprague personally appeared before said justice of the peace;

AND WHEREAS, Said Milton H. Davis has made diligent search for said James Sprague, and said J. P. Rathbun, and has not succeeded in finding them, or either of them; and that said Milton H. Davis verily believes that he cannot find either said Sprague or said Rathbun;

AND WHEREAS, Said William A. Hewitt, the justice of the peace before whom said acknowledgment of execution purports to have been taken, and who was one of the aforesaid witnesses, died at Maple Rapids, in Clinton county, Michigan, more than twenty years ago;

AND WHEREAS, The said Milton H. Davis claims to be equitably entitled to have a patent issued to him on said certificate, yet that none can issue to him, on account of the defect in the acknowledgment of the assignment made by said James Sprague to said Lewis Pearson;

*Resolved by the Senate and House of Representatives of the State of Michigan,* That the Governor of this State be, and is hereby authorized to sign and to cause to be issued to said Milton H. Davis a patent for the lands described in said certificate whenever the same shall be presented to him, with the certificate of the Commissioner of the State Land Office that the principal and interest, and all taxes and charges levied upon said lands, have been paid.

of the interest, taxes, and charges on said certificate, and that he, the said Ezra Jones, and the parties under whom he holds, have been in possession of said premises for over thirty years;

AND WHEREAS, The said Ezra Jones has paid all claims against said certificate, and received a certificate from the Commissioner of the State Land Office therefor, yet that no patent can issue to him on account of the detachment and loss of the clerk's certificate, which was formerly attached to the assignment made by said John C. Rainey, to said Van S. Murphy, which said clerk's certificate cannot now be found, though diligent search has [been] made therefor, and a new one cannot now be obtained, because of certain omissions in the form of the acknowledgment, rendering it impossible to determine when said assignment was made and acknowledgment taken; therefore be it

**WHEREAS,** One clause of section ten of act number one hundred and ninety-seven of the session laws of eighteen hundred and eighty-three, reads as follows: "And all the balance of the taxes heretofore assessed upon the lands granted to the State of Michigan, and lying within the counties of Ottawa and Muskegon, upon the route extending from Grand Haven to Owosso, and thence to Flint, as described in this act, and returned by the county treasurers of said counties of Muskegon and Ottawa to the Auditor General as delinquent and unpaid, and all interest and charges since accrued thereon are hereby cancelled; and the Auditor General is hereby directed to credit said counties of Muskegon and Ottawa respectively, with the amount thereof in all cases where the same has been heretofore charged back to such counties, and with all interest and charges since accrued upon the amount so charged back; but the total amount of such credit shall in no case exceed the total amount such county may now be indebted to the State," etc.;

**AND WHEREAS,** It is claimed that the Auditor General charged back to the county of Muskegon, on the thirtieth of June, eighteen hundred and eighty-two, for taxes, interest, and charges accrued upon certain of said lands, the sum of seventy-seven hundred and one and thirty one-hundredths dollars (\$7,701.30), and that the entire credit said county has received therefor, under the provisions of said section ten, has been only twenty-eight hundred and five and sixty one-hundredths dollars (\$2,805.60), which credit was made by the Auditor General about September thirtieth, eighteen hundred and eighty-three;

**AND WHEREAS,** It is further claimed that in any event, and whether the construction put upon the meaning of said section ten by the Auditor General is correct or not, said county of Muskegon has been unjustly deprived of its rights in the matter, and is, in equity, entitled to a further credit of not less than forty-eight hundred and ninety-five and seventy one hundredths dollars (\$4,895.70); therefore,

CONCURRENT RESOLUTION.

WHEREAS, We learn that Ulysses S. Grant, our greatest soldier in days of peril, our honored President in the turbulent ebb of civil war, and our esteemed citizen in time of peace, is borne down by an enemy that the sword, now in its scabbard, cannot conquer;

AND WHEREAS, Michigan in the pride of her untarnished loyalty forgets not in time of trouble a brave defender of her cherished liberty; therefore

*Resolved*, That the House of Representatives (the Senate concurring) and in behalf of the people of the State of Michigan, extend to the hero of Appomattox, in his weary hours of suffering, the consolation of their sympathies born of admiration, memory, and gratitude;

*Resolved*, That our earnest desires are only expressed by many years of added blessings and usefulness to his life, and that the field of battle may be yet afar off where he shall fall upon death.

## SENATE CONCURRENT RESOLUTION.

WHEREAS, The United States unsurveyed shoal water lands in Lake St. Clair, in the State of Michigan, generally known as the St. Clair Flats, are and long have been a place of favorite and great resort by the people, even from abroad, for boating and sailing, recreation and health, and for fishing and hunting, the same being a world famous resort for game, in season;

AND WHEREAS, It is a grateful convenience and a beneficent privilege to the public to have at hand an inviting resort conferring as does this territory especial favors, where the people may go for proper and healthful pleasure and for relaxation and recuperation from the wearing pursuits of business;

AND WHEREAS, This territory has for so long been a place of free resort for all the people for the purposes aforementioned that they would not now know how to do without it, and situated as it is adjacent to the great and growing city of Detroit—a just pride of the whole country—it too would most justly, deeply, and forever feel its irreparable loss as a place of public resort, while the sum for which it would be sold as a part of the public domain would constitute but a trifling one which would never be felt to be of account;

AND WHEREAS, Attempts have been made by various parties to possess this territory by private acquisition for the purpose of converting the same into close private reserves, thus arbitrarily excluding the public forever from all rights therein and constituting the territory a permanent and most aggravating monopoly against the people for all time, a bill for which purpose was introduced into the preceding Congress but which went down under the strong and earnest protest by the people against it by petition and otherwise, aided by private efforts;

AND WHEREAS, Other attempts are being made for the private acquisition of this territory, its possession being very desirable, and it being probable that if not formally set aside for the people it will pass to private occupation either by free-booting right or by private acquisition;

Therefore, this territory being a part of the public domain and believing such measure to be in the line of a wise and beneficent public policy; be it

*Resolved by the Senate of the State of Michigan* (the House concurring therein), That Congress is hereby requested by proper statute to set aside the said St.

Clair territory as a national preserve for the people of the United States, subject to wise and proper regulations which it shall prescribe; and also that our Senators and Representatives in Congress are requested to give their earnest support to such measure, and efficiently oppose all private claims and efforts to obtain possession of said territory which are not plainly warranted by unmistakable legal right and justice;

AND WHEREAS, We deprecate the policy which the general government has extensively practiced in the past of selling to private parties the United States unsurveyed overflowed shoal water and marsh lands which in many localities in extensive tracts border the nation's public waters—as the inlets of the ocean our navigable lakes and rivers—to be converted by said parties into close private shooting preserves to the perpetual exclusion of the people therefrom, such exclusion greatly abridging, as it does, the freedom and desirable privileges to the people which should be afforded by the public waters, which exclusion is already, and in the future will more and more be felt to be a public aggravation and outrage of magnitude, for the people habitually, largely, and very properly, and will more and more in the future resort to the public waters for recreation, tripping, health, fishing, sailing, and shooting;

AND WHEREAS, These lands are of much account to the people for the purpose of public resort, and also as they come of or belong to the public or people's domain, there is eminent equity and propriety in the demand that they be preserved for public use;

AND WHEREAS, The majority of this class of overflowed favorite territory for fish and game, and for public resort in the nation, has already passed to the exclusion of private ownership and control; therefore, we express our earnest belief that the unwise and injurious policy of selling these lands to private parties should go no further; and therefore,

*Be it resolved by the Senate* (the House concurring), That Congress is respectfully requested to interpose against their further private acquisition, and to set aside, by proper enactment, this class of territory belonging to the public domain, as a common preserve for the use of the people, subject to such regulations as may be established by rightful authority; and that our Senators and Representatives in Congress be requested to use their best endeavors to secure such proper legislation.

Approved April 24, 1885.

HON. JOSIAH W. BEGOLE, Governor :

Which corresponds with the amount charged to this office on the books of the Auditor General, as appears by his letter :

STATE OF MICHIGAN,  
AUDITOR GENERAL'S OFFICE,

HON. E. H. BUTLER, State Treasurer, Lansing, Mich. :

DEAR SIR—The amount charged to the State Treasurer on the books of this office at the close of business, on the 30th day of September last, was \$1,142,330.69.  
Very respectfully,

W. C. STEVENS,  
Auditor General.

The following statement from the General and Auxiliary Ledgers gives the condition of the several Trust Funds, Sinking Fund, Bond Account, etc. :

Credit—

	\$1,439,330 69

BONDED DEBT.

Acting under authority of the Board of Fund Commissioners I have purchased during the year sixty-three of the War Bounty Loan Bonds of one thousand dollars each. The same have been canceled and entered upon the books of this office as paid, leaving the total indebtedness as follows:

Past due part-paid Five Million Loan Bonds, \$21,000, adjustable at \$578.57 per \$1,000, (not bearing interest).....	\$12,149 97
War Bounty Loan Bonds, 7%, due in 1890.....	234,000 00

TRUST FUND DEBT.

The Trust Fund Debt, composed of balances upon which the State as trustee pays interest for educational purposes, now is:

Agricultural College Fund.....	\$272,327 40
Normal School Fund.....	61,284 81
Primary School Fund (seven per cent).....	\$3,124,810 60
“ “ “ (five per cent) .....	359,375 87

	3,484,186 47
University Fund.....	495,822 72
	<hr/>
Aggregate balance of Trust Funds .....	\$4,313,621 40

Upon which interest has been paid from the Specific Tax Fund according to law.

STATE BANKS.

There are now forty banking associations under the general laws of this State. Seven have been organized during the year; one has discontinued business, and one has failed and is now in the hands of a receiver.

PRIMARY SCHOOL INTEREST FUND.

By reference to the ledger accounts it will be noticed that the Primary School Interest Fund is credited with \$363,245 42. I desire particularly to call attention to this account. Under existing laws this balance, which is inviolably appropriated to the support of the primary schools, must be held by this office for about seven months. It would doubtless be far more satisfactory to the school districts, and would relieve the State Treasurer from the care and responsibility of a large sum of money, if a semi-annual distribution could be authorized by the Legislature. The fund is now paid to the counties in May of each year. A considerable portion of it is collected within a few months after that time. If in November a second payment of the amount then to the credit of the fund could be made upon the same basis as the May payment, it would prove far more convenient to this office as well as to the school districts.

The following statement gives the receipts and payments in detail:
